

ANGLICAN DIOCESE OF PITTSBURGH

Safe Church Reference Form

For Volunteers and Employees of a Congregation of the Anglican Diocese of Pittsburgh

The congregations of the Anglican Diocese of Pittsburgh have clear policies in place for the safeguarding of children and other vulnerable populations from physical, sexual, and emotional abuse. A reference request is one of several checks that we perform to make sure our volunteers and employees are persons to whom we can entrust those in our care. Please return this form to the congregation that requested it, and know that your response will be kept in confidence.
