

Confirmation of Spiritual Direction

For those in the ordination discernment process

This form, required for both postulancy and candidacy interviews, is to be completed by the Spiritual Director. It is to certify the duration and frequency of the person's consultations only; it is not a character reference.

It is highly recommended the director is not the person's rector or direct supervisor. The Ordinand is required to meet with his or her director at the least on a monthly basis for the duration of the ordination process. What passes between the director and the directee is absolutely confidential.
